Giant Eagle in Garfield completes conversion to curbside pickup, delivery

The Garfield Heights Giant Eagle supermarket on Transportation Blvd. has been temporarily closed to public in-store shopping and converted into a curbside pickup and delivery center only, the company announced last week in a media release.

This transition follows that of the company's Howe Avenue supermarket in Cuyahoga Falls and is expected to significantly increase the number of Giant Eagle curbside pickup and delivery orders able to be filled daily.

"There continues to be an unprecedented demand for grocery pickup and delivery options, and we are very excited to bring this curbside pickup center model to the Cleveland area to make thousands of additional spots available to our guests each week," said spokesperson Jannah Jablonowski.

The Garfield Heights Giant Eagle is filling next-day pickup and delivery orders, and all payments are being processed online to reduce contact between guests and employees. Slots are available from 8 a.m. to 8 p.m. daily.

The Garfield Heights in-store pharmacy continues to operate for prescription pickup or drop off both in pharmacy and at the drive-thru from 8 a.m. to 8 p.m. (Continued on Page 2)

City of Bedford buildings to be closed at least until June 1, Mallis says during virtual council meeting

By Judith Goldsworth

Bedford City Manager Mike Mallis said at a video conference council meeting Monday night that the city's COVID-19 pandemic city buildings will remain closed at least until June 1.

"I want to thank the public for being flexible and understanding and being a good partner," Mallis said. "We'll see how the situation develops throughout May, and we will continue to provide updates to the public.

Both Mallis and Mayor Stan Koci encouraged business owners and residents to visit the city's website, bedfordoh.gov, for more information on the coronavirus, with Koci noting that the city's team had been putting together programs since the middle of February to address the pandemic.

Koci said, "We're going to trudge through this and get it done and take care of everybody, so please hang in there. Everybody do what the governor asks, and hopefully we'll all be better in the long run.

Street resurfacing gets green light

On Monday council passed an ordinance to prepare plans and specs and go out for bids for the 2020 Street and Sidewalk Program, in an amount not to exceed $400,000.

Council also passed legislation to declare a garage at 83 Henry St. a nuisance and condemning it as "the property owner is deceased and the family has abandoned the property."

No city funds will be expended in the demolition, Koci noted.

Council passed an ordinance to provide for continuing membership in the Ohio Municipal League Joint Self-Insurance Pool for the next three years. The city will pay three equal installments of $180,692 in 2020, 2021 and 2022 to continue the insurance.

Also passed by council was legislation to purchase and install a new server and operating system upgrade for the city from Simplex IT at a cost of $17,500, to replace aging and malfunctioning equipment, and an ordinance for a contract with the Ohio Department of Transportation for rock salt for the 2020-21 winter season.

The Presidential Primary election in Ohio has been extended to Tuesday, April 28, 2020 for absentee voting by mail only. The in-person voting on April 28, 2020 at the Cuyahoga County Board of Elections building is only for Ohioans with disabilities and people who are not able to receive mail (no residential address.)

The Board of Elections deadline to accept Vote-by-Mail Ballot Applications is noon on April 25, 2020. Submitting a Ballot Application at the deadline does not allow much time for the ballot to reach the voter by the following Monday which is the ballot return postmark deadline.

These are the practical options for requesting a Vote-by-Mail Ballot Application with little time left:

- Go to the Board's website www.443VOTE.us to complete a Ballot Application form by entering your name and birthday. Print and complete the Ballot Application and mail it to the Board of Elections.
- Visit the Board of Elections Administration Building at 2925 Euclid Ave. in Cleveland. Although the building is closed to the public, voters are able to enter an area just inside the rear entrance where people may complete and submit their ballot applications weekdays between 8:30 a.m. and 4:30 p.m.
- Polls must be postmarked on or before April 27, 2020. Hand delivered ballots must be dropped off at the Board of Elections building by 7:30 p.m. on April 28.
- Ballots may be deposited in the secure Ballot Drop Box located in the Board building parking lot at any time until 7:30 p.m. on April 28.

Announcements
The city has recently taken delivery of new vehicles, including a squad and pumper for the fire department, Mallis said. “These are state of the art pieces of equipment and will serve our residents extremely well.”

Mallis also stated that the city had recently taken delivery of the remaining 30 of 100 trees that were funded through a Cuyahoga County grant, with the trees to be planted this spring.

He also commended Jennifer Kuzma of the Economic Development Department for obtaining an additional $50,000 county grant for the ongoing signage upgrade program, and a $150,000 grant to televise the city’s sewers as part of a maintenance program. “We will go out for bids in the coming months, and that will take place this year,” Mallis said.

Additionally, the liquor agency within the Garfield Heights location is accessible for guests through a dedicated entrance from 8 a.m. to 8 p.m., Monday through Saturday, and 11 a.m. to 5 p.m. on Sunday.

Shoppers can place their orders through the Giant Eagle grocery app or Giant Eagle’s new grocery ordering website: gianteagle.com/grocery.

Maple Hts. Council votes down bill to increase Stafford Park pavilion fees

By Judith Goldsworth

Mindful of the impact, economic and otherwise, that the COVID-19 pandemic is having on residents, Maple Heights Council voted at its teleconference meeting last week against legislation to increase rental fees for the Stafford Park pavilions this summer.

Currently the rental fee is a $125 deposit for the pavilion, with $25 refunded following the event after an inspection by the Parks and Recreation Department.

The ordinance defeated at last week’s meeting would have raised the rental deposit to $150, with $25 refunded to the resident after inspection.

Mayor Annette Blackwell said that only a small percentage of the rentals were by individual residents, as the majority were by organizations or families holding reunions or similar events. “We really have to look at what we have to do to stay solvent,” she said.

City hall ADA project, other legislation approved

The city has been awarded $200,000 in block grant and supplemental grant funding from the Cuyahoga County Department of Development for the Maple Heights City Hall Americans With Disabilities Improvements Project, and council passed legislation at last week’s meeting authorizing City Engineer Ed Hren to begin preparing plans and specifications and to go out for bids for the project.

Deadline to use the block grant funds is Dec. 31, 2020, and deadline to use the supplemental grant funds is Feb. 28, 2021, the legislation noted.

The grants will help to fund improvements to city hall to make it accessible to persons with disabilities.

Hren is authorized to go forward, and Blackwell is authorized to engage the services of architect Calvin M. Singleton Jr., of Calvin Singleton and Associates to assist Hren in the preparation of plans and specifications and the advertising of bids for the project.

Also passed was a resolution authorizing Blackwell to enter into a cooperation agreement with Walton Hills for the rehabilitation of Dunham Road from Turney Road to Tinkers Creek Road in Maple Heights and Walton Hills. This follows the passage of a resolution by Cuyahoga County Council to spend up to $1,908,255 in county funds for the rehabilitation.

The county has also committed to reimburse Maple Heights for 100% of the costs of labor and materials, up to $550,000, to widen Dunham Road to provide for bike lanes from the Walton Hills corporation line to Mendota Avenue.

Council also approved a resolution to enter into a Memorandum of Understanding with the Tinkers Creek Watershed Partners to provide U.S. EPA Phase II Stormwater services for 2020.

“The Storm Water Phase II Rule is part of the U.S. EPA’s effort to preserve, protect and improve the nation’s water resources from polluted storm water runoff,” the resolution stated, adding that Maple Heights’ participation will help reduce pollution and improve water quality.

Also passed was an ordinance to amend and restate a chapter of the city’s codified ordinances regarding Community Reinvestment Areas in the city, establishing the entire city of Maple Heights as a CRA.

Council had passed similar legislation last September, however, the changes were never published and submitted for review as required by the approval procedures of the Ohio Department of Development necessitating passage of the new ordinance, Law Director Frank Consolo explained at last week’s meeting.

An ordinance to create a cost-sharing program with private property owners for removal of dead, diseased or damaged trees and those trees whose roots are affecting sidewalks and sewers, as amended, remained in Finance Committee for further discussion.

Two funds to help small businesses recover from the economic crisis caused by the coronavirus pandemic have been initiated, one by Cuyahoga County and the other by the U.S. Chamber of Commerce Foundation.

Cuyahoga County Executive Armond Budish announced the launch of the Small Business Stabilization Fund, the first-ever small business coalition of funders and partners in the county.

Budish committed $500,000 to the creation of this fund to support small, neighborhood-based businesses through grants and loans throughout Cuyahoga County during the COVID-19 pandemic.

This fund complements the county’s Small Business Resource Center website and its call center, which has received more than 375 calls from business owners.

The Small Business Resource Center is still taking calls and answering questions for business owners about options available to them at 216-452-9714.

Grant funds available total $500,000, and loan funds committed to date total more than $3.5 million.

The County Stabilization Fund page has eligibility and process information for these grants and loans. Small business owners interested in applying for a grant or loan should fill out the Business Assistance Application on the Stabilization Fund webpage: https://cuyahogacounty.us/development/businesses/small-business-stabilization-fund.

U.S. Chamber small business grant opportunity

Another helping hand to small businesses suffering from the impacts of the coronavirus pandemic comes from the U.S. Chamber of Commerce Foundation, in partnership with Vistaprint and a coalition of supporting companies, foundations and philanthropic donors working to provide financial relief through the Save Small Business Fund, a grant-making initiative to offer $5,000 grants that provide short-term relief for employers across the United States.

These one-time supplemental cash grants are for businesses that have between 3-20 employees and operate in an economically vulnerable community.

The grant application process began on Monday, April 20.

Visit savessmallbusiness.com for more details about the fund or to apply for a grant.
